General Checklist

Primary and back-up mask
Right/left post DIN first and second stage set with service kit (OC)
Two DIN deco regulators
Primary light (and charger)
Back-up lights (and spare batteries/charger)
Tropical wetsuit with boots or breathable drysuit with light undergarments, seals in good condition, P-valve, wax, chalk, and catheters
Spare cuff and neck seal if field replaceable
Tropical hood and glove liners
Two methods of buoyancy (wing with redundant bladder, wing and drysuit, or wing and liftbag)
Harness
Fins
Primary and secondary computer/bottom timer (and spare batteries/charger)
EMS shears and line cutters
Guideline and back-up reels (minimum 60m and 15m)
Line markers for complex navigation
Red and yellow SMBs
Wetnotes and spare pencils with the state of
Whistle
Compass
Spare mouthpiece/s and cable ties
Ninja star multitool
Spare inflator hoses
M26 adapter (if need be)
Spare stainless steel double-enders and clips
Stage rigging kits
Spare long hose
Bungee
Power adapters
O2 clean O-ring kit
Duct tape with a marker pen and multi-tools
Hand sanitizer and ear beer

Supplemental CCR Checklist

	All unit-specific rebreather components as per checklist
	Serviced CCR head
	Unit-specific checklists (preferably laminated)
	Spare cells and calibration kit
	Charger for units with rechargeable elements
	Spare counter lungs (or patches)
	Spare O-ring kit
	DSV service kit with mushroom valves and DSV diagram
	Spare kit for unit specific parts like ADV diaphragm, manual add etc.
	Spare solenoid/lp and hp hoses
	Spare O2 OPV and O2 first stage service kit
	Spare batteries for the solenoid, HUD and transmitters
	Caveshield
	Imperial LOLA valves (GUE CCR)
	Steramine
	Spare hydrophobic membrane for scrubber
	O2 grease
ч	Service manual
	Camera Checklist
	Primary/secondary body
	Housing and saddle
	Housing and saddle Lenses
<u> </u>	Lenses
<u> </u>	Lenses Dome and camera vacuum pump
0	Lenses Dome and camera vacuum pump Camera batteries with charger
	Lenses Dome and camera vacuum pump Camera batteries with charger Tribolube 71 (compatible with all O-rings)
00000	Lenses Dome and camera vacuum pump Camera batteries with charger Tribolube 71 (compatible with all O-rings) Spare flash sync cable
00000	Lenses Dome and camera vacuum pump Camera batteries with charger Tribolube 71 (compatible with all O-rings) Spare flash sync cable Camera arms
0000000	Lenses Dome and camera vacuum pump Camera batteries with charger Tribolube 71 (compatible with all O-rings) Spare flash sync cable Camera arms Lens cleaning gear
00000000	Lenses Dome and camera vacuum pump Camera batteries with charger Tribolube 71 (compatible with all O-rings) Spare flash sync cable Camera arms Lens cleaning gear Filters
000000000	Lenses Dome and camera vacuum pump Camera batteries with charger Tribolube 71 (compatible with all O-rings) Spare flash sync cable Camera arms Lens cleaning gear Filters Spare O-rings for housing, port, strobe battery compartment, and viewfinder
0000000000	Lenses Dome and camera vacuum pump Camera batteries with charger Tribolube 71 (compatible with all O-rings) Spare flash sync cable Camera arms Lens cleaning gear Filters Spare O-rings for housing, port, strobe battery compartment, and viewfinder Card readers
	Lenses Dome and camera vacuum pump Camera batteries with charger Tribolube 71 (compatible with all O-rings) Spare flash sync cable Camera arms Lens cleaning gear Filters Spare O-rings for housing, port, strobe battery compartment, and viewfinder Card readers Secondary photo/video rig (GoPro/Paralenz)
00000000000000	Lenses Dome and camera vacuum pump Camera batteries with charger Tribolube 71 (compatible with all O-rings) Spare flash sync cable Camera arms Lens cleaning gear Filters Spare O-rings for housing, port, strobe battery compartment, and viewfinder Card readers Secondary photo/video rig (GoPro/Paralenz) Two hard drives (primary and backup)
00000000000000	Lenses Dome and camera vacuum pump Camera batteries with charger Tribolube 71 (compatible with all O-rings) Spare flash sync cable Camera arms Lens cleaning gear Filters Spare O-rings for housing, port, strobe battery compartment, and viewfinder Card readers Secondary photo/video rig (GoPro/Paralenz) Two hard drives (primary and backup) Spare lens/port combination Video lights (and batteries/charger) Strobes (and batteries/charger)
00000000000000	Lenses Dome and camera vacuum pump Camera batteries with charger Tribolube 71 (compatible with all O-rings) Spare flash sync cable Camera arms Lens cleaning gear Filters Spare O-rings for housing, port, strobe battery compartment, and viewfinder Card readers Secondary photo/video rig (GoPro/Paralenz) Two hard drives (primary and backup) Spare lens/port combination Video lights (and batteries/charger) Strobes (and batteries/charger)
